The diagram illustrates the timeline of Scala releases. It features a series of vertical tick marks along a horizontal axis. Horizontal bars extend from each tick mark to represent specific releases. The first bar, starting at the origin, is labeled 'Scala 2.12'. Subsequent bars are labeled with version numbers: 2.11, 2.10, 2.9, 2.8, 2.7, 2.6, 2.5, 2.4, 2.3, 2.2, 2.1, 2.0, and 1.0. The bars for versions 2.0 and earlier are very short, while the bar for 2.12 is notably longer, indicating a significant period of active development.
